

Source

What it says about you.

Source says you are ready now to make things happen! You are ready and are full of new ideas. Before you launch, you need to be grounded. Are you prepared?

Sweetness

What it says about you.

Be delicate in dealing with others. You are a magnet to the divine feminine. Sweetness softens communication and makes reconciliation easier.

Radiance

What it says about you.

Think. You must take time to clearly think through what is currently happening in your world. Remain detached in order to do what is right.

Opening

What it says about you.

If you gravitate toward Opening, you are ready to tap into the truth of your heart. To this point, you may not have been capable. Becoming centered in love is the key.

Purity

What it says about you.

You are now entering a time of speaking the truth, while it may have been challenging before. Get ready to speak up and step forward and fully express who you are.

Insight

What it says about you.

It is the perception of your direction. Your inner compass brought you to the picture because you already intuitively know the answer within. Listen to this compass; trust your wisdom.

Infinity

What it says about you.

You are magnetizing and highly creative right now. Infinity opens your energy to create. Right now you are in the highest place of magnetizing and creation.

Artist's Magic

What it says about you.

No, there isn't an eighth chakra, but there is an eighth piece! From Artist's Magic draws the power of all seven chakras. You were drawn to this vortex jewelry because you are highly creative — and attract assistance from the universe.
